

ETHICAL CONSENT

Author name :

Manuscript title :

Manuscripts submitted for publication in the Egyptian journal of Neurology, Psychiatry and Neurosurgery must contain a statement that ethical standards have been met. Authors are required to check if any of the below statements applies to their submitted work and if necessary, to tick the relevant box and sign the form accordingly.

- All human studies must state that they have been approved by the appropriate ethics committee and have therefore been performed in accordance with the ethical standards laid down in the 1964 Declaration of Helsinki.
- Reports of animal experiments must state that the "Principles of Laboratory Animal Care" (NIH publication No. 85-23, revised 1985) were followed. Authors may have to state that specific national laws have been observed, too.

The author hereby declares that the research documented in the submitted manuscript has been carried out in accordance with the above stated ethical standards.
